

Kari Fulkerson

Nominated for Allied Director

My name is Kari Fulkerson, I've been with the Hyatt Regency Milwaukee for over 10 years. I am passionate about all WBTA has to offer, especially gathering our members to inspire and educate! I've been very involved with the WBTA Board since shortly after joining WBTA 6 years ago. I've previously held titles of Public Relations Committee Chair, Social Media Committee Chair, Programs Committee Chair and most recently, Allied Director.

My time spent with WBTA has been very valuable and pushed me outside my comfort zone many times. I appreciate being nominated for Allied Director again as I enjoy representing the travel suppliers in our organization and ensuring all members voices' are heard! My husband Dave and I have two children, Ellie (2) and Henry (4 months) who I love to spend as much time as possible with, I also enjoy working out and spending time at my family's cottage on Lake Arrowhead.

Thanks!
